The Kenco Barrier Lift provides for easy, safe, and efficient placement of concrete barriers. It is the strongest, most-trusted barrier picker in the industry and the number one choice of every major contractor and governmental agency.

### Fully-Automatic Actuator

- perform one pick after another, with zero hydraulics

### Lifting Plate

- to connect shackle and rigging

### Integrated Handles

- for safe maneuvering by ground guide

### Pivoting Pad Angles

- rotate to match slope of the wall

### Exclusive Elastomer Pads

- won't slip, even when wet
- provide wear and abrasion resistance
- full surface contact without scratching wall
- superior gripping ability
